Refer to: 1978939993 -- Will County
Lemont/Land and Lakes
Permit No. 1978-2-OP
Supplemental Permit No. 1985-34-SP

April 10, 1985

Land and Lakes Company
123 North Northwest Highway
Park Ridge, Illinois 60068

Gentlemen:

Supplemental permit is hereby granted to Land and Lakes Company to operate in the area designated as Phase IIIA at the above-referenced site all in accordance with the plans prepared by Don R. Fielding, dated February 27, 1985, and received by the Agency on February 28, 1985. This supplemental permit is further subject to the following special conditions:

1. The design, construction and operation of Phase IIIA must be in accordance with the development permit and any supplemental permits. Any modification of the approved plans will require a supplemental permit to modify development.
2. The corners of the present and future developed areas shall be marked so that they may be identified.
3. The side wall liners shall, at all times be completed at least two (2) feet above the level of any refuse. Permeable materials which fall onto the side wall of the liner shall be removed before additional lifts of the sidewall are constructed.

All certifications, logs, or reports which are required to be submitted to the Agency by the permittee should be mailed to the following address:

Illinois Environmental Protection Agency
